Dear Sir,

- ① I take the liberty to write this message in my personal capacity to expressly acknowledge the 'care & courtesies' extended to me and my family by your institution the I-Care Noida
- ② Advised by Prof (Dr) Atk Gupta I recently underwent a 'suspical procedure' at your institution and am happy to state that Dr Jyoti Bhatnagar and her surgical team excel in their professional skills, she is indeed a very skillful surgeon and an modest, kind person.
- ③ I take this opportunity to share with you that all doctors in all specialities and multitude of staff/employees have largely (within constraints of professional & limitations imposed by rules/regulations) been professional and considerate towards our patients, and I owe them all my gratitude and thanks too.
- ④ My thanks to you, Dr Ramesh Choudhry, Saurabh, all administrative staff I Care Noida

With gratitude & regards
